

Vision for Building Men

I envision building men desiring to grow toward a man who is..

1. Passionately yearning to lead my life, marriage, family with **profound vision**.
2. Continually pouring **God's Word** into my heart and life.
3. Purposefully developing a life to be used by God to **connect those lost to Jesus**.
4. Striving daily in training to become a **spiritual leader**.
5. Continually growing in my **awareness of the world around** me in the wisdom and discernment of the Holy Spirit.
6. Seeking daily to position my life to **hear directly from God** and understand.
7. Disciplining myself toward **full surrender to Christ** in every area of my life.
8. Resolutely committing to **strong boundaries** guided by the Holy Spirit.
9. Purposefully seeking out the **depth of God's wisdom** in life's challenges and circumstances. (Upper story)
10. Solidly placing my **personal identity in Christ** rather than from the world.
11. Daily pushing away further and further from every area of unhealthy, **unholy pride**.
12. Purposefully altering the pace and flow of my life to **cross paths with other people**.
13. Solely living for the purpose and **pleasure of God**, not for the purpose and pleasure of others.
14. Intentionally aligning my life for the anointing and **strong support of the Holy Spirit**.
15. Deeply maturing the discernment to see God's potential in others, and **invest generously** out of my life in others.
16. Daily transforming myself into a **dynamic father, husband and leader**.
17. Progressively developing a deep, rich, **admirable character** modeled after Christ.
18. Devotedly seeking **spiritual disciplines** and experiences that develop a servant's heart.
19. Fervently pursuing clarity and understanding for the **unique call from God** on my life.
20. Passionately growing in my desire and ability to become a **sincere, devoted friend** to others.
21. Striving daily to exist **free from being offended by others**.
22. Purposefully shaping myself into a **source of peace** for others.
